

Shoring Trailer

FullStock Aluminum Shoring Trailer (FAST)

Uses: Efficiency's FullStock Aluminum Shoring Trailer (FAST) is equipped with a variety of custom-built options for stocking shoring equipment for fast, resourceful use in the field.

Ideal for Public Works crews encountering a variety of trench projects each day since all of the necessary tools are available...no return trips to the yard for missing equipment. The FullStock trailer can also save storage space in the equipment garage since all of the pieces can remain loaded and locked on the trailer.

Fire Departments also find the custom-built FAST trailer to be an essential part of their trench rescue operations since an assortment of equipment can be stocked for a variety of scenarios.

Equipment distributors can also use the FullStock trailer to demonstrate the Efficiency product line in the field.

All racks and other options can be resized, repositioned, and reconfigured to fit your specific needs.

Options:

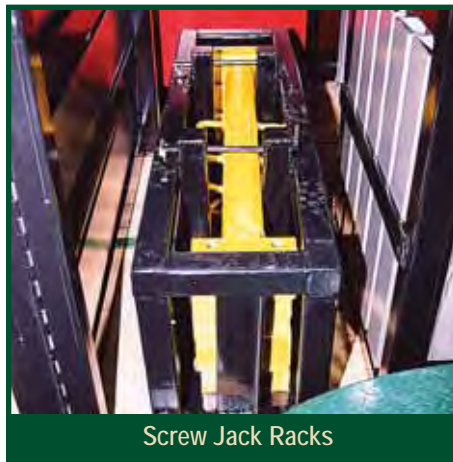

- Shoring racks.
- FinForm racks.
- Aluminum shield racks that fit a HydraShield, or XLAP.
- Modular Build-A-Box panel racks.
- Tool box for shoring accessories, parts, and tools.
- Hydraulic cylinder test stand.
- Workbench.
- High strength steel construction.
- Dual axle.
- Racks can be fitted to your trailer.
